WORK HISTORY

Technical Director | Glenwood High School - Chatham, IL *08/2019 - Current*

- Developed in house solutions for management using Python, Django, and MongoDB
- Oversaw thousands of dollars' worth of technological upgrades over the course of a year.
- Managed three teams and enabled them to work together to accomplish tasks no one team could handle
- Oversaw testing of equipment and components to check for defects.
- Primary decision-maker for internal technology spending, creating budget guidelines to reduce waste and decrease unnecessary upgrades.

Cybersecurity Intelligence Analysts | United States Air Force - Scott Air Force Base, IL *08/2017 - Current*

- Maintained working knowledge of cutting-edge technologies
- Monitored computer virus reports determining threat vectors and mitigation plans
- Authored security incident reports, highlighting breaches, vulnerabilities, and remedial measures.
- Used malware analysis to understand the functionality of viruses
- Maintained a Top-Secret Security Clearance
